

## COD ROLL WITH DORATI TOMATOES

**Chef:** Monica Copetti

### Method

Serves 4

Blend 200 g of mixed fish and stir in the Fiokki instant mashed potatoes, salt and citrus fruit pesto. Place the cod fillets, rolled in breadcrumbs on just one side, on a sheet of cling film (for sous-vide cooking) or parchment paper (for traditional cooking), positioning them side by side so that there is no space between them. Spread the mixture over the fillets and position the Dorati tomatoes along the centre. Carefully roll and close the fillets, helping yourself with the cling film or parchment paper.
