

EGG CANNELLONI WITH RICOTTA AND SHAKSHUKA

Chef: Maurizio Ferrari

Method

Serves 1

Let's make the cannelloni: add eggs, salt, pepper, chives and parsley in a bowl and whisk everything together. Take a small rectangular oven tray and place a sheet of parchment paper on it. Pour the egg mixture (a very thin layer, so that after cooking it will look like a thin sheet of egg) and bake it at 180°C (359 °F) for 6-8 minutes, until the eggs become firm. Meanwhile, prepare the stuffing by mixing 100gr (3,5 oz) of Shakshuka sauce and the ricotta cheese. Now take the eggs out of the oven and cut it in half to obtain two rectangular sheets of the same size. Place the stuffing on top of each piece and roll it like a cannelloni. Place the cannelloni on a cast iron dish, place the remaining Shakshuka on top of it and bake it for 8-10 minutes in a pre-heated oven at 180°C(350°F). Now put the cast iron pan on top of a serving dish, drizzle with the Ècremaformaggi and garnish with the julienned peppers .
