Boil the water with a pinch of salt and 25 ml of oil. Pour in the polenta flour and cook for 20 minutes. As soon as it's ready, pour the polenta into a lightly greased pan to cool. Cut the polenta into small rhombuses shape and grill them. In the meantime in a sauté pan brown the shallot with a little evo, add the mushrooms, the parsley, bay leaf and braise for few minutes. Season with pepper and with the help of a spoon place them on top of the polenta. Garnish with the cherry tomatoes sauce and serve.
