

## POTATO GNOCCHI WITH ÈRAGUBIANCO AND FRIGGIONE

**Chef:** Maurizio Ferrari

### Method

Serves 4

Prepare the gnocchetti by steaming the pre-cooked potatoes for about 10 minutes. Mash them, then add the flour, egg, and a pinch of salt. Quickly knead the dough to obtain a smooth and homogeneous mixture, without overworking it. Take a portion of dough, roll it out with your fingertips to form small rolls, and cut them with a knife. Place them on a tray sprinkled with semolina flour.

In a pan, add a spoonful of extravirgin olive oil and sauté the garlic clove. Then add the chopped parsley and the Èragubianco, and cook for 1 minute. Finally add the Friggione sauce and some cooking water, then cook for 3-4 minutes.

Cook the gnocchetti in a pot with plenty of salted water. As soon as they rise to the surface, drain them and add them to the sauce. Plate the gnocchetti in the center of the plate, garnish with a drizzle of oil, and some shaved Parmigiano Reggiano cheese.
