Cut the avocado into cubes and season with lemon juice so that it does not oxidize. Peel 4 prawns, cut them into cubes and cook them in a pan with the lemon thyme and parsley. Lightly caramelize the leeks sauce in a hot pan with a tablespoon of extra virgin olive oil.

In a pan cook the 2 whole prawns with a spoon of evoo, lemon thyme and parsley

In a plate, with the help of a pastry cutter, create the tower by placing the avocado cubes and pressing them down to make them stick together, the cubes of prawns and finally the caramelized leeks. Place the whole prawns on one side. Season with the walnut sauce, previously blended with a spoon of evoo, few pieces of walnuts and fresh sprouts.
